LESSON PLAN SIGHTED		YEAR LEVEL	

Post Lesson Discussion Guide Questions (Viewer Mode)

QUESTIONS TO THE TEACHER BEING OBSERVED	RESPONSE TO QUESTIONS
1. **What did you notice** after reviewing the data collected in the T3 observation record? What is **interesting**? Do you see any **patterns** in the data?	
2. How did the lesson go? **Which elements** of the lessons worked? **How** do you know?	
3. What **evidence did you collect**? What **conclusions** can you draw from this evidence? Did your students learn the objectives /LI based on the success criteria?	
4. Which elements of the lesson would you **change** next time? **Why**?	
5. What is the **focus** for the next lesson? **Where to** from here?	
6. What **strategies** could you use? Does **research** and **theory** have anything to offer here?	
7. How **useful** is this T3 feedback tool. How did it **support** your learning?	
8. If you collected **student feedback** about this lesson, how will this **inform your future teaching**?
